General Partitions Mfg. Corp. has been manufacturing toilet partitions since 1962. We are qualified to supply partitions for nearly any project.

We certify that all of our partitions and lockers are manufactured in the United States, thereby qualifying them under the Buy America Act (41 U.S.C. 10A-10D), as implemented by Subpart 25.2 of the Federal Acquisition Regulation.

The only variance may be certain hardware items that are not sourced domestically or would be cost prohibitive to be sourced domestically.

If you have any questions, you may contact Scott Hawkins at 814-833-1154 or e-mail scott@generalpartitions.com for more details.

Respectfully,

Scott Hawkins – President
